ON-SPOT CLEANING

We ensure our customers a hassle-free service at their premises. Clean Matic uses only the most modern, state-of-the-art cleaning equipment to give our valued customers the highest quality service possible.

DRY FOAM CLEANING TECHNOLOGY

Our DRY FOAM Cleaning is very low moisture cleaning procedure consist of about 60% air and 40% liquid. Dry-foam is endorsed by an international testing institute and excelled in all three testing categories: Dry Time, Soil & Stain Removal and Re-Soil Time. In addition, it will also increase the life span of your articles.

STEAM SANITIZATION

We specialized in Disinfecting with Steam Sanitization. The high heat steam kill viruses, bacteria, allergens, mold, mildew as well as bed bugs and their eggs, which causes serious illness and allergic reaction in humans.

ECO FRIENDLY

We use only international standards' Eco-Friendly Chemicals. They are skin friendly and gentle for your health. These products' ingredients have been meticulously screened for potential health and environmental effects.
